This summer come and enjoy an activity event at Pioneer Centre in the rolling green hills of picturesque South Shropshire.

Ages 8–adult

Through **four adventure activities** during the course of each break we'll provide you with opportunities to achieve things you previously thought your disability prevented you from trying; a chance to **push yourself beyond what you may have thought possible!** Have a go at **wheelchair abseiling** on our purpose built and specially designed tower for example. Our fully qualified and experienced instructors will provide you with **memories you'll never forget.** We also have a variety of aids that can be used on activity sessions, which will help you achieve great things.

After all the fun you'll be relaxing back in **your own en-suite room** before being re-fuelled with **seasonal meals** provided from Friday evening meal through to Sunday lunch all in our Caribou dining room. Talk to us about our bedroom and dining equipment/aids which can be made available upon request.

You'll **meet lots of new people**, sharing experiences together in the accommodation lounge where there is tea and coffee available all day.

**Prices:** £150 - shared ensuite room  
£225 - single ensuite room

**Includes 4 activities!**

Carers save £50 if they don't want to take part in activities
